

YUFA announces: A People of Colour Caucus

To Faculty and Librarians of Colour:

We are writing to invite you to a meeting to begin a People of Colour Caucus within . This idea has been germinating within the Equity Committee for a couple of years. The inaugural meeting will allow us to discuss goals and desires of such an initiative.

Although many of you may know each other it is important to meet and who may be new or those who have been unable to meet other faculty and librarians of colour. At this time we are asking only people of col-

We do hope that you will find this caucus to be a supportive space within the
