

YUFA CLASS SIZE / ROOM SPACE QUESTIONNAIRE – AUTUMN 2002

All responses will be treated anonymously unless you give express permission at the conclusion of the questionnaire for YUFA to make public the information you provide. Thank you!

What is your Department/Faculty? _____

	<u>COURSE 1</u>	<u>COURSE 2</u>	<u>COURSE 3</u>
1. What was the course enrollment before the first class? (How many students did you think you were going to have?)			
2. If you have taught this class before, how many students took it last year?			
3. Is the enrollment capped? At what number?			
4. Estimated number of students who actually attended the first class (Please circle numbers if you counted and know for sure).			
5. Estimated number of students who attended the second class.			
6. Final class enrollment for the term.			
7. Posted occupancy limit for your assigned classroom or lecture hall (if a limit is not posted in the room, write NA and give the room number).			
8. Did you change rooms? Please give details of how this happened, on the back of this sheet			
9. If you changed rooms, what is the posted occupancy limit for your final room?			
10. Were all the chairs, desks and other equipment safe and operational? If not, please explain on the back of this sheet.			
OPTIONAL: Course number/title:			

OPTIONAL: Your name/email/phone: _____

May YUFA contact you for details/clarification? _____

May YUFA make public the information you have supplied? _____
