

Glendon Hispanic Studies Report

Dear Bernie Lightman:

For years now, our unit has been asked by the administration to define normal academic load as follows:

Full time tenure track faculty members of both Professorial and Alternative stream teach 3 full courses per academic year. (or the equivalent in half courses)

There is one full course release for serving as Chair of the Dept.

There is not any other time release for research or any other type of service

My colleagues and I feel that under this time structure allocation we carry on research and service to the university and the community at a very high cost of our own personal time. Thank you for asking.

Caridad Silva

Chair, Dept. of Hispanic Studies
