In POLS GL we all teach three courses a year, except for

1. the chair, who teaches two courses;
2. new untenured faculty who teach 2 1/2 courses in their first year.

we do not get paid for supervising independent studies or reading courses; those of us who do that kind of thing do it without pay.

also, in courses with TAs, professor teach oen of the tutorials themselves, so that each course involves three hours of contact time per week.
